an opportunity to negotiate a written agreement for the repayment of the debt. If the financial condition of the debtor does not support the ability to pay in one lump-sum, reasonable installments may be considered. No installment arrangement will be considered unless the debtor submits a financial statement, executed under penalty of perjury, reflecting the debtor's assets, liabilities, income, and expenses. The financial statement must be submitted within 10 business days of the Commission's request for the statement. At the Commission's option, a confess-judgment note or bond of indemnity with surety may be required for installment agreements. Notwithstanding the provisions of this section, any reduction or compromise of a claim will be governed by 4 CFR part 103.

§ 505.7 Administrative offset.

(a) If the debtor does not exercise the right to request a review within the time specified in § 505.5 or if as a result of the review, it is determined that the debt is due and no written agreement is executed, then administrative offset shall be ordered in accordance with these regulations without further notice.

(b) Requests for offset to other Federal agencies. The Chairman or his or her designee may request that funds due and payable to a debtor by another Federal agency be administratively offset in order to collect a debt owed to the Commission by that debtor. In requesting administrative offset, the Commission, as creditor, will certify in writing to the Federal agency holding funds of the debtor:

- (1) That the debtor owes the debt;
- (2) The amount and basis of the debt; and

(3) That the agency has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations and the applicable provisions of 4 CFR part 102 with respect to providing the debtor with due process.

(c) Requests for offset from other Federal agencies. Any Federal agency may request that funds due and payable to its debtor by the Commission be administratively offset in order to collect a debt owed to such Federal

agency by the debtor. The Commission shall initiate the requested offset only upon:

(1) Receipt of written certification from the creditor agency:

- (i) That the debtor owes the debt;
- (ii) The amount and basis of the debt;
- (iii) That the agency has prescribed regulations for the exercise of administrative offset; and

(iv) That the agency has complied with its own administrative offset regulations and with the applicable provisions of 4 CFR part 102, including providing any required hearing or review.

(2) A determination by the Commission that collection by offset against funds payable by the Commission would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such offset would not otherwise be contrary to law.

§ 505.8 Jeopardy procedure.

The Commission may effect an administrative offset against a payment to be made to the debtor prior to the completion of the procedures required by §§ 505.4 and 505.5 of this part if failure to take the offset would substantially jeopardize the Commission's ability to collect the debt, and the time before the payment is to be made does not reasonably permit the completion of those procedures. Such prior offset shall be promptly followed by the completion of those procedures. Amounts recovered by offset but later found not to be owed to the Commission shall be promptly refunded.
